Do your ears hang low?
Do they wobble to and fro?
Can you tie 'em in a knot?
Can you tie 'em in a bow?
Can you throw 'em o'er your shoulder
Like a continental (or regimental) soldier
Do your ears hang low?

Do your ears stand high?
Do they reach up to the sky?
Do they droop when they are wet?
Do they stiffen when they're dry?
Can you summon o'er your neighbor
With a minimum of labor?
Do your ears stand high?

Do your ears flip-flop?

Do your ears flip-flop?

Do your ears stick out?
Can you waggle them about?
Can you flap them up and down
As you fly around the town?
Can you shut them up for sure
When you hear an awful bore?
Do your ears stick out?

Do your ears give snacks?
Are they all filled up with wax?
Do you eat it in the morning
Do you eat it in the bath?
Do you eat it with a scone
Or do you eat it on its own?
Do your ears give snacks?
