Type: Sheet music

Título: [Wendeltreppenquartett \(Winding Staircase Quartet\)](#)

Compositor: [Holger Reuning](#)

Época: Siglo XXI

Tema: .Misceláneas

Categoría: Obras de cámara

Dificultad: Leicht bis mittel

Instrumentación Grupo: Música de cámara mixta

Arrangement: Flauta+Guit.2+Vc

Instrumentación: Flauta (traversa) = Fl(1),Guitarra = Guit.(2),Violoncello (Cello) = Vc(1)

The winding staircase already exists for guitar and flute. I have added a second guitar and a cello. The piece works without a 2nd guitar and also with 2 guitars. However, the flute and 1st guitar always have to be used in the performance.

The flute may be replaced by another woodwind instrument.
