"Joy to the World" is a popular Christmas carol with words by Isaac Watts. As of the late 20th century, "Joy to the World" was the most-published Christmas hymn in North America.

The words of the hymn are by English writer Isaac Watts, based on Psalm 98, 96:11-12 and Genesis 3:17-18. The song was first published in 1719 in Watts' collection *The Psalms of David: Imitated in the language of the New Testament*, and applied to the Christian state and worship. The paraphrase is Watts' Christological interpretation.
