This original tune only had 2 verses but today I got a 3rd verse and thought I would do a brass quintet of it and share it with you. .

1st verse

Thank You, Lord, for all the many blessings in my life, for all the happiness you've let me have. Thank You, Lord for now I realize it took them all ,to live in You, to grow in You. Thank You, Lord

2nd. verse

Thank You, Lord, for all the many heartaches in my life. For all the many sorrows and the strife, for through them Lord, I've learned just what it means to follow You, to live in You, to grow in You. Thank You, Lord.

3rd verse

Thank You, Lord, for battles and the victories we've won, for all the many great things You have done, for through them Lord, I've learned just what it means to call You Lord, to live in You, to worship You.

Thank You, Lord.
