Das spielfreudige Stück ist eines der seltenen von Stanley dreisätzlich gestalteten Voluntaries. Der langsame Mittelsatz mag wie üblich nach eigenem Gusto etwas verziert werden, wobei neben üblichen Trillern die grundierenden Anschläge, um im weiteren Verlauf nicht eintönig zu wirken, gern als belebende Ribattuta erklangen. Bei dem reizvollen Stück ist nicht ganz klar, ob der Komponist ein dreimanualiges Instrument fordert. Der mit Echo bezeichnete Part deutet möglicherweise auf ein geschlossene Swell-Manual hin. England war ja mit seiner Erfindung ein früher Vorreiter des dort bereits im Barock ab und an eingebauten Jalousieschwellers. [JT]
