Heave and go ….
And we shall find them as of gold.
Heave and go ….

Where father, mother, sisters, wives,
We're ready now to resign our lives.

With Danish girls with eyes so blue,
We will do all that good sailors do.

With Danebrog upon our masts,
Shall float as long as this world lasts.

And now for our brave captain we,
Will give three cheers right heartily.

Then up, men up, and blaze away,
Listen till my tale is told.

Heave and Go, My Nancy-O - Originally a shanty of the Danish Navy. The shanty was given English lyrics at some point. Unfortunately, the original Danish lyrics have been lost. The sailors vow to serve the Danish king and want to do their best for him under the ''danebrog'' (the Danish flag).
