Época: Shanty

Tema: .Misceláneas

Categoría: Traditional

Dificultad: Leicht

Instrumentación Grupo: Una voz sola

Arrangement: Solo>X

Instrumentación: Canto solo>X = Registro no especificado(1)

Hog Eye Man – Hog Eyes were the name given to flat-bottomed cargo riverboats in the southern states of North America. In the eyes of the seafarers on the seas, who were used to quite different dangers, the bargemen were not "real" sailors, i.e. rather "wimps". Their reputation was correspondingly low. However, the women were glad that the guys were not away from home for too long and so they were in demand.
