Some Important Information

About The COPY RIGHTS

The editions we chosen (before we edited) were out of copyright (that was, in the public domain) ,and we have taken into account the different provisions of copyright laws in different countries on the expiration of copyright,we have and will always abide by these laws.

About The Process Of Making The Sheet Music

1. Search for public domain versions in as many publications as possible, taking into account, of course, the time of copyright invalidation;
2. Compare different versions;
3. Choose a version for a new version;
4. Proofread at least 3 times;
5. For some works, we may use the original score for reference and cannot be compared with the audio played or sung.
