

Thomas Stearns Eliot was an English-speaking poet, playwright and critic who is considered one of the most important representatives of literary modernism. In 1948 he was awarded the Nobel Prize in Literature. Eliot studied philosophy and literature at Harvard. Born: September 26, 1888, United States. Died January 4, 1965 in London

T.S.Eliot

The Hollow Men V

Prickly Pear" (=Feigenkaktus)

Here we go round the prickly pear
Prickly pear prickly pear
Here we go round the prickly pear
At five o'clock in the morning.

Between the idea
And the reality
Between the motion
And the act
Falls the Shadow

For Thine is the Kingdom

Between the conception
And the creation
Between the emotion
And the response
Falls the Shadow
Life is very long

Between the desire
And the spasm
Between the potency
And the existence
Between the essence
And the descent
Falls the Shadow

For Thine is the Kingdom

For Thine is
Life is
For Thine is the...

This is the way the world ends
This is the way the world ends
This is the way the world ends
Not with a bang but a whimper.
