The municipality of Fischbachau has an Italian partner municipality called Castagnaro. A large delegation visited us in 2013. We invited the Italians to our folk dance in Wörns mühl. This waltz was created on this occasion, the words “Bella Italia” are a tribute to our guests at the time.

The accordion does not have to play the notated part if it runs parallel with violins or clarinets. Blue notes can be played, red notes must be played (accordion solo). Experienced clarinetists can also manage B-major, all others have a maximum of 3 sharps (A-major) to play. Only the accordion, guitar and double bass play the vocals.
