Dream Images - Fantasy for Orchestra.

Move to a park in the city. It is morning. The wind rustles gently through the trees and bushes. Birds wake up and make themselves heard.

Ducks quack. A few gusts of wind cause a commotion. The sound of a brutal waltz suddenly penetrates through an opening in the park. Fortunately, we turn the corner and the sound disappears behind the bushes.

Peace returns; we can continue dreaming in peace. The sun shines on the water. Waves ripple. It is quiet again between the bushes and we can hear the birds. Treetops sway in the wind. But a little later, a brass band arrives and plays a brutal march. It passes quickly and we can enjoy the sound of the wind and the birds again. We hear a reminiscence of "Fauré's Après un Rêve". We leave the park feeling rested and refreshed.
