Dedicated to the music-loving students of the Catholic ''Marienschule'' in Potsdam

For solo violin, string orchestra, xylophones, and metallophones
The voice of the viola profonda can also be played by a cello

If you do not have a chromatic xylophone, I can recommend the instrument-making course
offered by the IAM (Internationaler Arbeitskreis für Musik e.V.) - instrumentenbaukurs@gmx.de -
I built a good chromatic xylophone there in just a few days years ago.

Next date: August 9, 2026, to August 14, 2026, at the ''Burg Fürsteneck Academy'' in Hesse
