Section I accidentals are within the Tonality, Bar by Bar.

Section II accidentals are within the Tonality, Beat by Beat.

In Both cases the accidental comes through to the particular line or space in the usual way.

I have used various methods effected, however

the notes
are required.

I suggest a pause for a long Breath between Sections I and II

The piece consists of rapidly changing moods and expression as suggested by the nature of the densities, textures and rhythms.
