Piece No. 5 from the cycle "For Sina - Six Little Piano Pieces". Composed for my granddaughter Sina, b. 29 December 2006, in the style and spirit of Robert Schumann's "Kinderszenen"[Children's scene] - with unconscious limitation on stylistic methods, which were available to Schumann at the time. Pedal use (not noted in detail) is to be carefully adjusted. MP3 is a recording of 27 February 2009 (Christoph Sobanski, University of Siegen - Steinway). See the cycle "For Maya", which is also designed in parallel, intentionally and stylistically.
