From the Mass 10 No. 6 a never heard piece with a beautiful, romantic melody and broken chords, which modulate to F-sharp major in the second part only to return to D-major shortly before the end.

As a moving interlude also dynamically interesting, beginning in dolce, increasing to forte and quiet final bars.

A swell well filled with strings and flutes is highly recommended.

Pedal is not provided, can surely be added.

The F-sharp major part is loaded with signatures. I have also notated as F-sharp major from the 25th thru 46th bars.
